

Session Program

22-24 Jul 2026

STIX workshop

Session 7

DIAS Burlington Road
10 Burlington Rd, Dublin, D04 C932

Thursday 23 July

14:00

Session 7: MeDDEA, PADRE, and multi-viewpoint HXR observations

Session | **Location:** DIAS Burlington Road, 10 Burlington Rd, Dublin, D04 C932

14:00–14:20

Hard X-ray solar flare observations by the Measuring Directivity to Determine Electron Anisotropy (MeDDEA) instrument on the PADRE CubeSat Observatory

Speaker

Olivier Limousin

14:20–14:40

Observing a solar flare from two perspectives: First MeDDEA-STIX results

Speaker

Muriel Zoë Stiefel

14:40–15:00

Joint STIX and HXI Observations of Solar Flares and Analysis of Behind-the-Limb Flares

Speaker

Karol Kułaga

15:00–15:20

CEA LDE3 statistical study of STIX flares from 2024 data

Speaker

Susanna Parenti

15:30
